Good Morning,

I expect to have your FOIA request 2018-03833-F completed and any applicable information to you shortly. We had a lot of personnel shift around to other assignments and I only recently took over the GAFB FOIA program. Let me get the paperwork put together and I expect to have it to you within a week.

**Subject:** [Non-DoD Source] Request for update on FOIA request 2018-03833-F

Hi,

I am writing to seek an update on the status of FOIA request 2018-03833-F, which was received on August 23, 2018. Our request was granted expedited processing and we were originally informed that we would receive a complete response as soon as possible and given an estimated completion time of 30 days. We have received two correspondences from the Goodfellow FOIA office purporting to grant itself extensions of the date by which the office must fully respond. The last correspondence we received on October 17, 2018 stated that your office would respond to the FOIA request by October 24, 2018, and if it needed additional time to complete FOIA processing, it would advise us. However, it has been over two weeks, and we have not received any update or any interim or complete response to the request. I have attempted to contact the FOIA contact, Tabatha Matthews, multiple times by phone, but my calls have not been returned.

I can be reached directly at [mozaeta@earthjustice.org](mailto:mozaeta@earthjustice.org) or (215) 717-4529.

Best,

Mychal
